OPTUS

C15 Car Phone

OPTUS C15 Car Phone

INTRODUCING the new Optus C15. ◆ When you're on the road you're in business with this powerful and sophisticated car phone. ◆ Return calls, arrange meetings, keep in touch with your customers and their needs. Use time behind the wheel to keep ahead of the competition. ◆ The new Optus C15 will help drive your business.

FEATURES

◆ ***Hands Free Operation:*** *Enables you to have a conversation without lifting the handset.*

◆ ***Auto Answer:*** *For added safety while driving, auto answer automatically answers incoming calls after three rings.*

◆ ***Signal Strength Indicator:*** *Monitors the strength of the cellular signal in your area.*

◆ ***Call Restrictions:*** *Protect against unauthorised use of your C15 with multiple call restriction levels.*

◆ ***99 Alphanumeric Memory:*** *The Optus C15 becomes your portable telephone index storing both names and numbers.*

◆ ***Function Menu:*** *Advanced features can be quickly and easily selected, and activated, via a simple menu system.*

◆ ***Last Number Redial:*** *Simply press "Send" to redial the last number called.*

◆ ***Speed Dialling:*** *Rapid memory dialling using a minimum number of keystrokes.*

◆ ***Any Key Answer:*** *Incoming calls can be answered by simply pressing any key.*

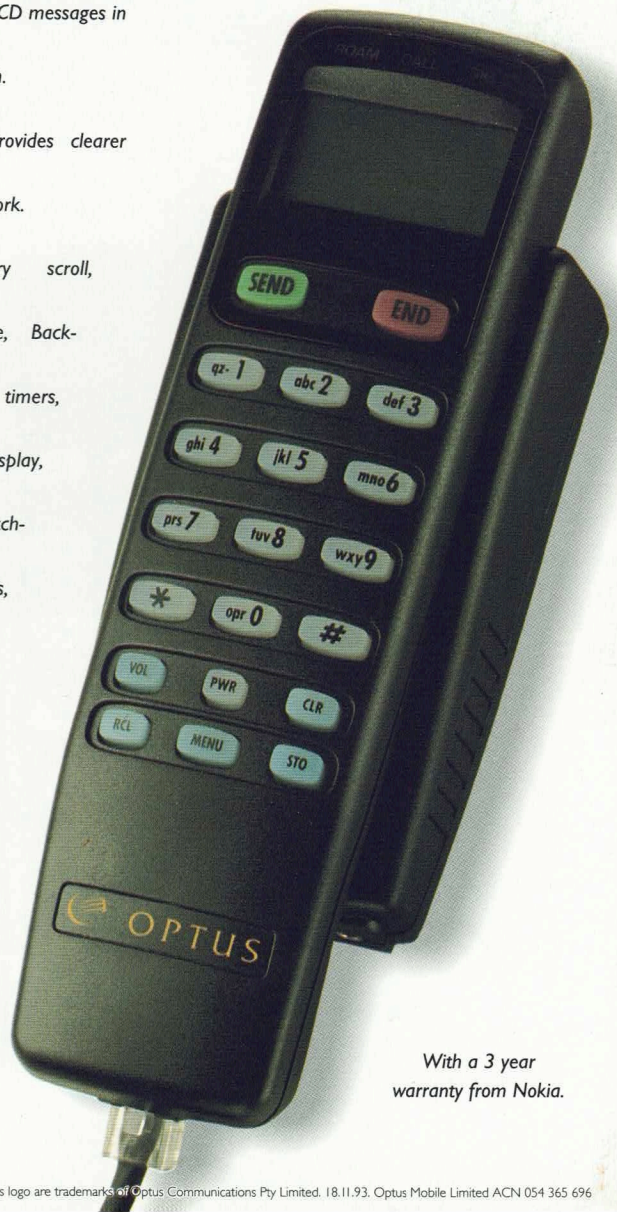
◆ ***Call In Absence Indicator:*** *Indicates a call was received while the phone was unattended but in standby mode.*

◆ ***Alarm Clock:*** *The phone can be set to beep for 5 seconds after a defined number of minutes.*

◆ ***Language Selection:*** *Display LCD messages in your choice of English, Spanish or French.*

◆ ***3 Watt Power Output:*** *Provides clearer conversations in fringe areas of the network.*

◆ ***Other Features:*** *Memory scroll, Auto redial, DTMF, Ignition sense, Back-lighting, Microphone mute, Call timers, Keypad tone mute, Own number display, User changeable lock code, Scratch-pad memory, Adjustable volume controls, Transportable kit option.*



With a 3 year warranty from Nokia.
